available for those with financial
need.
Community Resources will be Live-
streamed FREE for the community.

FRIDAY, MAY 19TH

**Taking Medicine Back Nationally:
a Coalition Army (virtual)**

The healthcare system has reached
a breaking point. Physicians, nurses,
and healthcare workers are morally
injured and leaving their professions.
Patients are at risk. It's time to take
the profession medicine back from
corporate interests for our patients.

SATURDAY, MAY 20TH

**Taking Medicine Back Locally: A
Community in Crisis**

A New Flower Mission: Putting
The cancer of corporate medicine
into Re-Mission. Political courage
is required and a community will
rise.

SUNDAY, MAY 21ST

**A community in need: Local
Resources**

Patient Advocacy
Direct Primary
Community Emergency Medicine
A new payment system
Holding hospitals accountable
